

## TERRACYCLE SCHEME

Some large manufacturers will pay for recycling their plastic packaging into pellets, which are then made into other plastic products. Please collect any of the items below and take them to the specific collection point. Sorry we can no longer sort this recycling for you from wheelie bins or Neighbourhood boxes. None of these items can be placed in your Council Recycling bin. Money received will be donated to Henfield Haven. A big thanks to all our local shops.

**PLEASE STICK TO THE LIST- WE CAN'T SORT IT FOR YOU OR TAKE IT IF IT'S NOT LISTED**
